Subject: Water Treatment Quotes—Overnight!

In order to better service our customers, the company has established an overnight quotation service. Any request for quotation received by 3:00 PM (Central Time Zone) will be faxed out by 9:00 AM the next morning, including weekends. Be sure to include your fax number as well as an overnight phone number of a contact person to answer any question that arise.

WaterSmart Environmental well understands economical and effective heavy metals removal, VOC and SVOC removals, PCB treatment, BOD/COD/TOC reduction, iron and manganese removal, oil/water separation, ion exchange, activated carbon adsorption, aerobic & anaerobic biological treatment, physical/chemical treatment, filtration, and the proper interrelationships between these various technologies. This *extensive process background* enables WaterSmart to rapidly quote on your application. The company also offers highly expedited equipment manufacturing based on 24 hour per day and 364 day per year (sorry, no one is asked to work on Christmas) fabrication and assembly.
